Sir:

In response to the office action dated July 29<sup>th</sup> 2002 applicants file this response to amend previously rejected claim 1.

IN THE CLAIM

Please amend the following claims as follows:

1. (Amended) A data processing system for executing an e-financial transaction in an account having at least one customer specified secure parameter, comprising:
- a central controller including a CPU and a memory operatively connected to said CPU;
- at least one terminal, adapted for communicating with said central controller,
